Thickness is 45mm. One Millstone Flag of each size totals 3.34m². One pack of each size totals 79.2m².
 For project pack layouts see page 44.

project pack layouts

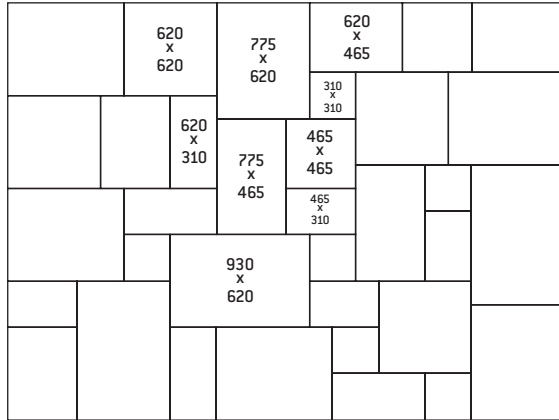

The drawings on pages 44 to 49 show examples of the layouts that can be achieved using Stonemarket Project Packs. Dimensions are listed for the various rectangles that can be formed. Drawings are then shown of one example layout for some

of those rectangles. For each rectangle, many other layout permutations are possible. Refer to Retail Brochure, page 128, for Principles of Random Layouts.

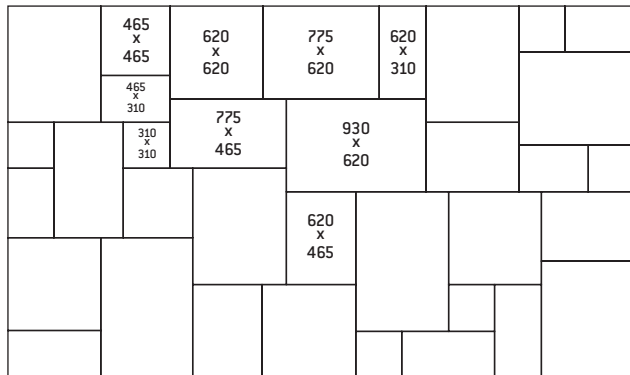

Millstone Flag and Yorkstone Riven are more competitively priced when supplied in full packs of single sizes. For larger areas, it is more economic to buy full packs of each size required, rather than attempting to combine several project packs.

Millstone Flag 9 Size Project Pack
