

lorento

Steeped with prestige, Lorento is a superb marble paving that is regarded as one of the most luxurious stones available. The sleek sawn profile of the stone has been mellowed by a gentle tumbling process to create a classic look while the distinctive white mottling and delicate veining add to the rich aesthetics. Available in three colours; Perlino offers attractive cream tones while Ivory is a soft dapple grey. Acor has a distinctive grey to silver stippled finish.
